

## Instructions for Doctor for Medical Exam to Apply to Chinese Universities

Dear Sir Madam

I am in the process of applying to universities in China, which requires me to undergo a comprehensive medical examination and submit the results as part of my application. Enclosed with this letter, you will find a copy of the Foreigner Physical Examination Form, which is a standardized form provided by the Chinese government.

I kindly request you to conduct the following examinations and complete the enclosed form:

- Complete Blood Test: Including HIV, Syphilis Serodiagnosis (RPR, TPPA), Hepatitis B Surface Antigen (HbsAg), Hepatitis C Virus Antibodies (AntiHCV), and Alanine Transaminase (ALT/GPT).
- Chest X-Ray
- Urine Test
- Electrocardiogram (ECG)

Please ensure the following when filling out the form:

- Use the provided Chinese template: The examination results must be recorded on the provided Foreigner Physical Examination Form to be accepted.
- Test validity: All tests must be conducted within the last six months to ensure their validity for the application process.
- Language: The completed form and all test results must be in English or Chinese.
- Identification: The form must include my photograph affixed to it.
- Certification: As required, the completed form needs to be signed, stamped, and dated by you or the hospital authority to certify its authenticity.
- Public Hospital Requirement: The examination must be conducted at a public hospital.
- Upload of Results: Please provide all test results, including detailed reports for each test conducted.

The completed form and test results are crucial for the continuation of my application process. I appreciate your assistance and attention to detail in this matter. Please let me know if there are any specific requirements or further information you need from me.

Thank you very much for your cooperation!
